RESIDENTIAL DUAL FUEL HEAT PUMP REBATE APPLICATION

ELIGIBLE CUSTOMERS

- Platte-Clay Electric Cooperative (PCEC) residential members are eligible for rebates/rates when buying qualifying, dual fuel heat pump(s). Members must have only an electric storage water heater(s) to qualify for all heat pump rebates.
- The structure in which the member resides must be a permanent structure on a permanent foundation on land owned by the member.

ELIGIBLE DUAL FUEL EQUIPMENT

- Equipment must be ENERGY STAR® rated with at least a SEER of 17. Dual fuel systems consist of an air source heat pump, gas furnace and electric storage water heater(s). No other combinations will be accepted.
- Heat pumps that receive rebates may be subject to Cooperative load control programs. The participant agrees to allow the Cooperative to control their heating and cooling equipment now or in the future.

QUALIFYING INSTALLATIONS & REBATES

- *Heating & Cooling:* For dual fuel heat pumps, the rebate will apply for the following criteria.
 - Replacement of electric resistance heat (\$150 per ton)
 - New home construction (\$150 per ton)
 - Replacement of an existing propane or natural gas heating system (\$150 per ton)
 - Replacement of an existing air source or A/C (\$150 per ton)
 - Qualifying installations are eligible for a \$.005 rate discount for all kilowatt hours consumed each month from October through May of each year.

REBATE DETAILS

- PCEC issues cash rebates in the form of checks, not energy bill credits. The members account must be in good standing in order to receive program rebates.
- **A copy of the dated sales receipt or invoice must be included with the rebate application.**
- Dual fuel must be the only central ducted system in the home to receive the rate & rebate. **NO ELECTRIC RESISTANCE HEAT ALLOWED.**
- The application must include all the information requested on the front of this application.
- Incomplete applications will not be processed and will be returned to the member.
- Please allow 4-6 weeks for rebate processing. Please keep a copy for your records.

DISCLAIMER

PCEC is not responsible if your HVAC contractor, retailer, builder or other party that provides you with inaccurate information about the amount or conditions of the actual rebate. PCEC will not rebate equipment that has been mislabeled or misrepresented. PCEC reserves the right to verify the heat pump, its installation and program requirements at the address indicated on the front of this application. PCEC is not responsible for any lost, late, stolen, ineligible, illegible, misdirected or postage due mail. All completed applications will become the property of PCEC. Rebate qualifications and amounts are subject to change at PCEC's discretion and the program may end at any time.
