Check if you have access to charge your vehicle at work.

- Rebate is for a Level II charger requiring a 240 volt input supply.
- Member agrees to program vehicle or charger to charge between 10 p.m. and 6 a.m. or between 11 a.m. and 3 p.m.
- Charger must be UL or ETL listed.
- This offer is only for residential customers and is limited to one charger per home.
- The primary location of the charging unit must be at the address provided on this form served by the Cooperative.
- It is recommended that a qualified electrician complete the installation and verify the panel is large enough to accommodate the charger.

INSTALLED SYSTEM COST

REBATE = 50% of installed cost up to \$250.

Attach proof of purchase and corresponding contractor charges

Member Agreement (Must Sign)

I verify that the above described equipment was installed on the date and location specified. I agree to all program requirements provided (either separately or on back of this form) and that my electric Cooperative reserves the right to inspect all equipment and verify information before issuing a rebate.

- Member agrees to program vehicle charger to charge between 10 p.m. and 6 a.m. or between 11 a.m. and 3 p.m.
- Charger must be UL or ETL listed.
- For questions please call 816-628-3121.
- Rebate program is subject to changes or cancellation without notice.
- Please allow 6 weeks for rebate processing.
- One rebate per household.
- Level II charger must be purchased after 5/1/19 (May 1, 2019). Submit the completed rebate form within 90 days of purchase.

General Terms and Conditions

Application Information: Missing or incorrect information on the application may delay processing and delivery of the rebate. An invoice is required and should include specific product information, including the brand, model, serial number and date of purchase of the energy efficient measures. Other information including manufacturer's equipment performance sheets may be required upon request.

The Cooperative reserves the right to verify sales transactions and to have reasonable access to the Member's facility to inspect equipment.

Warranty Information: The Cooperative makes no warranties, expressed or implied with respect to equipment operation, material, workmanship or manufacturing. The Cooperative does not guarantee that a certain level of energy or cost savings will result from the use of products covered by this program.

Limitation of Liability: The Cooperative's liability in connection with this program is limited to paying the rebate specified when all terms and conditions have been satisfied. Under no circumstances shall the Cooperative be liable for any consequential or incidental damages or tax liability resulting from participation in this program.

Participant Certification: Participating Member certifies that he/she purchased and installed the equipment listed on their application at the defined location served by the Cooperative. The Member agrees that all information provided is true and that he/she has conformed to all program requirements. If the equipment and application does not comply with the Cooperative's rules and qualifications, the rebate amount may be denied or adjusted.

Program Changes/Terminations: The Cooperative reserves the right to extend, modify (including incentive levels) or terminate this Program at any time without prior or further notice. The Member is responsible for checking with the Cooperative to determine whether the program has been changed or is still in effect.

Members must apply for rebates within ninety (90) days of the purchase date (as shown on the Member's invoice. Past eligibility, however, does not guarantee that equipment will meet criteria for current programs in effect.
